Security Notice

This is a Federal computer system and is the property of the United States Government. It is for authorized use only. Users (authorized or unauthorized) have no explicit or implicit expectation of privacy.

Any or all uses of this system and all files on this system may be intercepted, monitored, recorded, copied, audited, inspected, and disclosed to authorized Redstone Technical Test Center, Redstone Arsenal, Department of Defense, and law enforcement personnel, as well as authorized officials of other agencies, both domestic and foreign. By using this system, the user consents to such interception, monitoring, recording, copying, auditing, inspection, and disclosure at the discretion of the RTTC or the Department of Defense personnel.

Unauthorized or improper use of this system may result in administrative disciplinary action and civil and criminal penalties.

Unauthorized attempts to defeat or circumvent security features, to use the system for other than intended purposes, to deny service to authorized users, to access, obtain, alter, damage, or destroy information, or otherwise to interfere with the system or its operation are prohibited. Evidence of such acts may be disclosed to law enforcement authorities and result in criminal prosecution under the Computer Fraud and Abuse Act of 1986 (Public Law 99-474) and the National Information Infrastructure Protection Act of 1996 (Public Law 104-294), (18 U.S.C. 1030), or other applicable criminal laws.
